[Since 1867, The Wilton Cheese Factory operated as a Farmer's Cooperative until it was purchased by the Jensen family in the 1970s. One of the stipulations of the purchase was that the factory maintain its original name and the Jensen family honoured that request.](#)

[The Wilton Cheese Factory and Jensen Cheese are divisions of A.M. Jensen Limited.](#)

[The family tradition of artisan cheese manufacturing remains our primary focus, and ensures our old fashioned, full bodied natural flavours. Our "Old World Curing Process" was set down by Arne Jensen in 1925 and is still closely followed today. Each cheese has been made with the utmost care and attention to ensure a premium product for your palate. Taste why we haven't changed a thing!](#)
